## PENN'S LEADER X

Never has there been such a class of Shorthorn bulls at Denver . . . 18 spring yearling bulls lined up for competition. Penn's Leader X stood second and went on to reserve junior championship of the show.

**Twice Leader X has been Grand Champion at the Kentucky State Fair and twice Reserve of the Indiana State Fair.** He is big, good, modern, with lots of stretch and size, and his calves will be hard to equal.

At the farm we have an excellent selection of Leader's get, that we are sure you will like and suggest you plan to see them.

**Selling in the Indiana Centennial sale Saturday, November 18, a son of the great Australian sire, Bandaloo Royal Duke X, and an open heifer of the Claret family sired by T P S Coronet Unlimited 33rd X.**

## Thomas Leaders 116 BX

Thomas Leader 116 BX was International reserve grand champion Polled Shorthorn bull for Ashbourne, completing a year as undefeated summer yearling. He was also reserve grand champion of the Kentucky State Fair and the American Royal — two of the year's strongest shows.

We are proud of our 1972 show record

Visitors are always welcome, stop and see our entire herd. There is always something for sale.

## RLF ENDURANCE

A Redline Farms home-raised production, RLF Endurance was 1971 All-American. One of the many good herd bulls at Redline Farms, he is typical of the large practical cattle here.

The majority of our bulls sell to commercial men so make your selection early. Our cattle have thickness, quarter and do-ability.

KENBER PERFECT COUNT 2nd X 434235

by

Ball Dee Perfect Count

Millbrook Crocus

Come and see us 3 miles East of Fairmount

A New Dawn at Daybreak Farm

We have purchased a 2/3 interest and possession in K.P.F. 2nd from Arrowhead Farm. After seeing this bull at Arrowhead and watching his performance at several State Fairs, we decided he was a bull with the least number of faults for modern day Shorthorns. (Our version of faults is incorrectness, lack of width, muscling, depth of quarter, length and trimness.) I see the packer paying very little for altitude and no milking Shorthorn types topping the market.

Count will be used on our daughters of Glen Cove Imperial Nugget, Napoleon Debonait and Millbrook Crocus

Consigning to the Indiana Centennial sale

Saturday, November 18, 1972

FARM BUREAU CO-OP  
CO-OP 20%  
RANGE  
CUBES**

**NEW FARM BUREAU CO-OP  
RANGE CUBES HELP TO MEET THE  
NUTRITION NEEDS OF WINTERING BEEF CATTLE**

To properly maintain their own health and body weight and to develop a healthy calf, beef cows need far more than winter forage. And you can help to meet that need with Co-op 20% Range Cubes, specially formulated to supplement corn stalks, winter pasture or other forage. Co-op 20% Range Cubes are rich in highly digestible sources of top-quality protein, and required levels of vitamins A and D.

Co-op 20% Range Cubes are to be fed at the rate of 1 lb. per head daily or at slightly higher levels when extra protein or energy is needed. See your Co-op feed man today for complete information on this new, growth-promoting Co-op feed.

**FARM BUREAU CO-OP**

*the only place you'll get Co-op quality*

To give  
wintering cattle an  
extra lift, offer  
Farm Bureau Co-op Special  
Cattle Mineral Blocks  
free-choice at  
all times.

## Now The Triumvirate

Including the all new Electro-Vac for the horseman.

Electro-Groom and Circuiteer have already proved their worth to the cattleman in preparing cattle for the show ring and as an all purpose farm machine for every cleaning job.

We believe Electro-Vac to be a necessary and valuable asset to any stable, once the horseman sees its worth in removing dirt and parasites from the horse's coat and preparation for the shows. Each of these machines will make the "best" look "Better", and do the work of half a dozen men.

**INDIANA JUNIOR SHOW**

LISA SHROCK, Kokomo, exhibited the champion Shorthorn Gold Medal steer at the Indiana State Fair, August 17. Her winner had a 2.22 pound weight per day of age record.

The reserve Gold Medal steer was shown by John Gunn, Greenfield, with a 2.16 pound weight per day of age score.

Not a single black or whiteface shown could match the weight per day of age records of the two Shorthorn champions.

**Showmanship**

Cindy Essex, Frankfort, was the champion Shorthorn showman in the 4-H steer show. Alan Sears, Greencastle, was reserve Shorthorn showman.

Other finalists were Sandy Humphreys, Wolcott; Dean Blackburn, Greencastle and John Gunn, Greenfield.

**Heifer Show**

Alan Sears, Greencastle, exhibited the champion Shorthorn heifer in the 4-H division. His winner was a junior yearling, Tynywtra's HM Jewel 25th x by Hickories Max that had been bred by J & J Humphreys, Wolcott, Ind.

Matthew Gunn, Greenfield, showed the reserve champion, a senior calf by Lanedale Rodney 3rd x. She had been bred by Don Martin, Greenfield.

John Gunn, Greenfield, exhibited two first-prize heifers, one sired by Tynywtra's Romeo and the other by Lanedale Rodney 3rd x. Another half sister by Rodney 3rd topped the early juniors yearling class for Matthew Gunn.

Patricia Merson won the produce of dam class.

Steve Oler, Greens Fork, won the showmanship contest. Carey Clouser, Windfall, was second.

**ACHIEVEMENT AWARD WINNERS****Alan Meyer**

Allen is the son of Mr. and Mrs. Robert Meyer, R. 1, Rushville. He is 16 years old, been in 4-H Club work seven years and a Sophomore in the Rushville Consolidated High School. Also seven years in Commercial Beef Projects and the past year was winner of the State Achievement contest in the Commodity Marketing project. My thanks to the Indiana Shorthorn Association for their award of \$150.00 in the 4-H achievement contest.

\* \* \* \* \*

**Steve Oler**

**Histories of the founding of The Indiana and National Shorthorn Associations, May 21, 1872, are available from the Secretary's office at .50c per copy. Please send stamps.**

Steve has a record of achievement in 4-H Club work that is not easy to come by. The son of Mr. and Mrs. Ralph Oler, R. 1, Greensfork, he had the Grand Champion steer of the Wayne Co. show. A High School Senior, he won the Association \$100.00 achievement award. With his father they have accumulated a herd of some 20 cows, still growing and quite an asset to the breed. We congratulate these winners and would encourage more entries in this contest. It's easy and nothing to lose.

Below is a letter received from Steve, which we think very worth while.

I have been in 4-H nine years, in beef project for nine years showing Shorthorns for the last seven years. In 1971 I exhibited Champion and Reserve Champion Shorthorn Steer at Wayne County 4-H Fair. In 1969, 70, 71 and 72 I exhibited Champion Shorthorn Heifer. In 1972, I finally achieved what I had been working for; Grand Champion Steer at Wayne County 4-H Fair. This steer was a Charolais X Hereford weighing 1090 pounds. I had been participating in showmanship from the start in beef project 1964, in 1967 won Champion Beef Showman Wayne County 4-H Fair over all ages. 1971 Wayne County split showmanship into three age groups which enabled me to participate in senior division in which I was picked Champion Showman. I was also Champion Groomsman in 1971 which was a first for me as well as Wayne County as this was the first contest of its kind in the country.

Late August in 1972 I went to Indiana State Fair which I had been exhibiting in since 1966. I was chosen Champion Shorthorn Heifer Showman. September 1972 the District 4-H Beef On-Foot and Carcass Show was held at Rushville, Indiana. I exhibited Reserve Grand Champion Carcass Steer and named King of Show 1971. In 1972 at District Show I exhibited Reserve Grand Champion Steer on Foot and was chosen Champion Senior Showman.

Through all my years in 4-H beef projects I have collected 19 first places, 15 champions, 1 grand champion, 2 local champion showmanship honors, 1 state showmanship honor, 2 groomsman hon-

or (local and district), and 1 district showmanship honor.

It has all been a pleasing experience and I want to thank the Indiana Shorthorn Association for the things they have done for me.

Sincerely,  
Steve Oler

4th May, 1949

John Blume, Esq.,  
Marellbar Farms,  
Libertyville, Illinois, U.S.A.

Dear Johnny,

Many thanks for your letter of April 15th and your cable which came to hand yesterday morning. I note you are disappointed with your sale, and the price Marellbar Formation realized, but on the other hand for the number sold and the average of £226 apiece is reasonably good. in my opinion.

I had Lord Lovat yesterday and notified him I had a cable from you and that his Pittodrie bull made \$1000 or £250. He said "He is not doing me much good, I gave 400 guineas for him," when I replied to him when he purchased him he was only worth butcher's price and that you were a hero to manage to find a customer for him at all, and that there was not as much straight bone in his body as would make a toothpick. He laughed heartily at my remarks and admitted to me he was a wooden buggar.

Lovat is in desperation for me to sell him heifers and I told him I had nothing but heifer calves that he would be better to come back and see me in the autumn when they would have a bit more age on them, and freshened on the grass. However, he picked out two and as the train was leaving he asked me to write him and forward on their pedigrees tabulated and the lowest price.

He is tremendously pleased with the Braemar bull he has and he told me his intention was to try and buy from me ten good heifers to mate with him. He mentioned his intention is to have nothing but Cruggleton-bred cattle about him.

I am pleased to see the Isa Clara heifer that Biggar purchased for Harding at a cheap price in my October sale topped your sale. She was one of the leanest

heifers in October; her dam is a very useful red cow, not one of my best, that went wrong of her bag as a heifer and is only giving milk out of two teats and was very badly nursed, but the gr. dam Erigone Clara was a full sister to Cruggleton Captivator sold in the Argentine for \$95,000, was an exceptionally good cow, and the next dam Evana Clara by Collynie Royal Leader was the best female I had by him, and an outstanding breeder.

I am just leaving for Glasgow to see the cattle shipped first thing tomorrow morning on the M. V. Salacia.

I am not shipping Burke and Claud as they are of an age that can be held over until next season, but I am forwarding you a full brother to Cruggleton Pacha, Cruggleton What's Wanted, which is the best bred bull alive and as good a bull as Pacha, who was the other day champion at Bloemfontein. Lovat was tremendously taken with him. This bull is fit for the best herd in the country and I would advise you to keep him yourselves. Pacha was a good breeder at Calrossie but left there a lot of bad colours, but I told MacGillivray that it was not the bull's fault. He was mating him to inbred Collynie Royal Leader cows who was by the white Balcairn White Eagle with Calrossie Control, White Prince, who were both whites, and Millhills Rothes King blood, he being from a white cow. It was from the dam's side and the way they are bred that MacGillivray was getting the colour he did. I used him freely before selling him and with the exception of one heifer coming with white socks, whose 3rd dam had white socks, all the others were beautiful reds, and the heifers I have by him, a few of which you saw as heifer calves, are the best females I have got.

The second bull Cruggleton Airthrie is by Calrossie Harmony who is shaping to breed extraordinary well, and from the best breeding cow I have, she being the dam of Cruggleton Aircraft, reserve champion at Perth and sold to Victorica Bros. to go to the Argentine for 3000 guineas, and before leaving for Argentine he sired Cruggleton Braemar. This bull if he could wear his head, is one of the widest, thickest and biggest quarter-

ed bulls I ever bred, and amongst the best.

The other bull Cruggleton Burgher by Pittodrie Impression that Willie MacGillivray has recently purchased as principal stock bull at Glastullich, and his dam is perhaps the best female I ever owned, and a full sister to the dam of Braemar. Lovat yesterday considered her one of the best females he had ever seen, and wishes me to put her on price, but I told him she was not for sale at any price. I would not take money for her. She is at present suckling my best heifer calf which is by Perfect. Rankin prevailed upon me to send her as a yearling heifer to Pittodrie Impression to get a stock bull off her. This bull's head is just not good enough for me to keep, as I am very particular as to heads, but from the way he is bred, I might be wrong in parting with him, and one never knows, he might be an outstanding breeder. He gets the head from Pittodrie Impression but behind that the heads are perfect on the dams side and the next generation by him could be all right of their heads.

You already have the pedigree of this bull under the name of Cruggleton Burgess, but when we applied for the export certificate the Shorthorn Society said Burgess was the prefix of a breeder and that we had to change the name to Cruggleton Burgher which has been done.

Had the Argentine ports been open, these bulls would have all made big prices there from their breeding and individual merit. They are being shipped in good shape, and I hope they land with you not too bad and that you can fit them for the International sale at Chicago and top the market with them there.

I had Stoltz over and sold him an extra good Perfect bull out of an old Augusta cow by Cruggleton Captivator at £1500 for Cadesky, but he is not a patch on any of the three bulls I am sending on to you.

I had another good bull in Cruggleton Policy that I would like to have shipped to you, but there is no space available on this boat. I showed him to Lovat yesterday and he asked me his price if he

could find a customer for him, and I told him if he was interested, the price to him would be £1250. He is to contact his client, and if he is on the market, he will let me know, but doubts if he would care to spend so much money.

I am shipping Frank Harding four useful heifers, and Les Mathers is getting eight, extra good heifers, but just in moderate condition. We consider two of Harding's heifers safe in calf, and Mathers all in calf. Harding's other two are not of serving age, one of them by Cruggleton Earl out of the same dam as Arnold's Cruggleton Achtoi, a nice straight heifer, like making a grand cow.

By ordinary mail we are sending you extra copies of the three bulls we are shipping you, having had them beside us made out for the Argentine.

I will be glad to have your report on the bulls once you have seen them, and I feel certain they will not disappoint you, or let you down.

I appreciate very much Mr. Bartholomay and you agreeing to take these three bulls to help me out through the Argentine market being closed for the present. I hope some day to be in a position to reciprocate your kindness.

I have had such a demand for females that for the present I am sorry I have no heifers to ship to you.

Stoltz was also wanting heifers, but I had nothing on hand to offer him but promised to ship him two heifers after they became of serving age and presumably settled to the bull, in the back-end of the year, at £500 apiece, for Cadesky.

I have just had word from South Africa that at Bloemfontein show the champion and reserve champion bulls, the 1st and 2nd two year old bulls, the 1st, 2nd, 3rd and 4th aged bulls, and practically all the winners in the female classes were either bred by me or from Cruggleton produce. Cruggleton Pacha was champion at Bloemfontein. Then at Johannesburg, the same cattle were again winning, but there Cruggleton Anthony, a full brother to Cadesky's bull was male and supreme champion winning the 1000 guinea trophy and beating all the other beef breeds, including Angus, Herefords, Af-

ricanders, Galloways Lincoln reds and South Devons. At this show Pacha was only 3rd.

With kind regards to Mrs. Blume and your Goodself, in which the Girls join me.

Yours sincerely,

*Albert Jas. Marshall*

Albert Jas. Marshall

P.S. All the bull winners at both Johannesburg and Bloemfontein shows were bred by me.

A.J.M.

### ILLUSTRIOS 1972

Illustrious, (adjective) distinguished by greatness; eminent; renowned; glorious; famous; honored. To those who love their Shorthorns, that is what this waning year will always be. In order to bring out the full meaning of these words meant a lot of work and a lot of time by a lot of people. Planning began early in the year, really at the Annual meeting, by the appointment of several committees, each to do the task assigned. Soon meetings were held and like what was to follow everything moved along in good order. It had been decided earlier that a reprint be made of the history of the founding meetings of both the Indiana and American Associations. Also we had been advised by Professor J. T. Frost of Purdue University that a proclamation be secured from the Governor declaring May 21st, 1972 as Indiana Shorthorn Breeders Day.

By this time, it seemed that every day brought new demands for time and travel and soon. Here is where we began to call on your President, Paul Baker for help, and through it all I was not turned down or put off the first time. How Paul can be repaid must come through the thanks of us all and no one could have done better. Time began to put a number of things behind us and we were beginning to see out. Early in the year Professor Frost had consented to act as Master of Ceremonies and Harold Thieman of Concordia, Mo. as main speaker and as a result, their contribution made a part of the perfect day.

Early in June, Paul and I met with Professor Frost, in his office at Purdue, to finalize details of the program and the worst was over. We recall that when Columbus set foot on American soil, he said "Dawn revealed a sunny land of flowers". When Sunday June 24th arrived, dawn revealed every indication of a perfect day and it was just that. It was not too warm and not too cool, the setting was perfect with plenty of shade, facilities were perfect as well as preparation for the event. Provisions were on hand and cooking under way. Cattle were in the barn for inspection and people were arriving. Registration was set up and handled in good manner. Regret for a shortage of food was offset by attendance when well over 400 had been served.

Following lunch the program was held in the Auditorium which was well filled. President Baker opened the meeting with very timely remarks of welcome to the good and appreciated attendance. Music and entertainment was presented by the Lassies. A number of honored guests were present including C. D. Swaffar, Secretary of the National Association, Burke Allison, R. B. Stimson and Harold Thieman, Directors. Robert S. Harper, member of the State Fair Board and Parke T. Brown, former Secretary of the Indiana Shorthorn Association, these were called upon and responded with fitting remarks. Gerald I. Clodfelter and Paul Baker presented their members of the State Boards.

At this time Mr. Baker yielded the podium to Professor J. T. Frost, who had early in the year accepted our request to act as Master of ceremonies as had Mr. Thieman to deliver the "key-note" address. They were in excellent form and audience reaction indicated their perfection, climaxing a perfect day with the droll philosophy of a real Mr. Shorthorn.

We attended a number of County and District as well as the State Fair, and in fact five days, which is not a bad record, but with our good superintendent, his wife Margaret and other fine friends, you just want to be there. My observation at the fairs was the improvement in the type and quality of the classes over the past two or three years. Right will prevail and the kids are 'way ahead of too many judges. Their goal is to win

but the odds are long. They want and should realize a profit, and there the odds are perhaps longer through such a period. The aim of the breeder is to produce a beast that pleases his eye. The aim of the feeder is to build a fast gaining carcass that will sell well in the market; it's as simple as that. Here is a bonafide quote: "The three recognized beef breeds were and are all we need, we have tried the past four years to come up with choice beef from an exotic cross without success." A packer.

The Indiana Centennial sale will be held at Greenfield, Saturday November 18th closing out activities of this wonderful year. The Annual meeting will convene at Lebanon Saturday January 6th, 1973. Your board meets four times a year. This meeting is all for you. Come, help and get better acquainted.

Your Secretary  
Sincere thanks to your Board of Directors  
for the "Mr. Shorthorn" plaque.

## DEATHS

### HARRY McCABE

Services were held for Harry McCabe, 80, of Greencastle, Ind., at St. Paul's Catholic Church in Greencastle, with burial in the Forest Hills Cemetery.

Mr. McCabe was born Feb. 12, 1892, and lived his entire life at Tara Hill Farm. He was a well known Shorthorn breeder and served as state secretary of the Indiana association for many years. He was chosen as a "Builder of the Breed" in 1965.

He is survived by his widow, Pearl; a son, Tom, of Greencastle, and two sisters.

### HAROLD THOMAS

Harold Thomas, 72, R 1, Fortville, Indiana, died July 1, funeral services were held the following Monday in Greenfield. He and his wife, Linda had put together a small herd of Shorthorns during the past ten years which they admired very much. They were members of the Association and while able, attended most all Shorthorn functions. Also, Tommy, as he was known by his close friends, was a great lover of horses, especially Tennessee walkers, and traveled far and wide to these events. Harold was most likeable and will be missed by his many friends. The wife Linda survives.

**INTERNATIONAL LIVE STOCK EXPOSITION**

Larry P. Caine, Mgr., 4300 S. Halsted  
November 23-28

Shorthorns judged November 27, by Bill Hoewischer, Sidney, Ohio. Polled Shorthorns judged November 28, by Paul Potter, Melbourne Farms, Big Rock, Illinois. All steers will be judged by Gary L. Minish, V.P.I. Blacksburg, Va.

For the first time in its 73-year history the International Live Stock Exposition will feature a classification for feeder cattle. The new classes will include competition for Angus, Hereford, Shorthorn, and also a class for other breeds and crossbreds.

The new class will be limited to pens of 5 and each exhibitor will be allowed up to 4 entries in each breed. All feeder steers must be groomed and all will be sold at auction in groups of 5 except for the champion and reserve champion loads which will be sold individually. The show will be held on Thursday, Nov. 23, with the sale on Friday, Nov. 24. Entries will close Nov. 1.

The judge for the show will be Ralph M. Danner, of Muscatine, Iowa. Danner, a well-known Cornbelt cattle feeder, has exhibited many top carloads of fed cattle at the International.

The purpose of the new feeder calf show is to attract top feeder cattle to the International and give 4-H and FFA participants an opportunity to purchase Club calf projects for next year.

In addition to the new class for groups of 5 feeder steers, there will continue to be a sale of individual feeder cattle which has been a feature of the International in past years. That sale will also be held on Friday, Nov. 24.

Entry blanks and premium list are available and may be obtained by writing to the International Live Stock Exposition, International Amphitheatre, Chicago, Ill. 60609.

Chicago—April 5, 1972—The Board of Directors of the International Live Stock Exposition met February 23 to make plans for the forthcoming Exposition at Chicago's International Amphitheatre Nov. 23-28.

Among the important decisions reached at the meeting was the temporary discontinuance of the Quality Meat Contests for 1972. It was the feeling of the Board that the contests had made a valuable contribution to the livestock industry over the years, but that the contests need revising to bring them up to date with current day trends. A committee was appointed to make further study with the hope a more practical approach to the Quality Meat Contests can be accomplished in the future.

The Board voted to hold a Feeder Calf Show and Sale at the 1972 International. It will be open to lots of 5 calves owned by one exhibitor. The calves will be shown on Thursday, Nov. 23 and sold on Friday evening, Nov. 24. There has been a great deal of interest expressed by western ranchers and breeders throughout the country in this event.

The American Hampshire Sheep Association will hold its national show at the 1972 International and premiums will total over \$2,000 for this event.

In the Swine division the trucklot competition will be changed to 6 head per pen rather than the 10 head heretofore required.

Gary L. Minish, of Virginia Polytechnic Institute, Blacksburg, will judge all steer classes at this year's International; Leroy H. Boyd, of Mississippi State University, State College, will judge all breeds of wethers; and R. H. Hines, of the Kansas State University, Manhattan, all breeds of swine.

The 1972 Show will have a streamlined format and will be shortened by one day. The judging schedules will be as follows:

Barrows: Juniors, Fri., Nov., 24; Open, Sat., Nov. 25-Tues., Nov. 28.

Wethers: Thurs., Nov. 23.

Breeding Sheep: Fri. through Tues., Nov. 24-28.

Feeder Calf Show: Thurs., Nov. 23

Steers: Juniors and One Open Class, Fri., Nov. 24; Open-Sat., Nov. 25; Grand Champion Steer—Mon. Nov. 27.

Breeding Cattle: Charolais—Sun., Nov. 26. Angus—Mon. & Tues., Nov. 27 & 28. Hereford and Shorthorn—Mon., Nov. 27. Polled Hereford & Polled Shorthorn—Tues., Nov. 28.

**FROM THE PRESIDENT'S DESK:**

Nine months of 1972 are past! Time passes all too quickly when we are doing what we enjoy. The 100th Anniversary year of the Indiana Shorthorn Association has been a good year, with three months to go. The State Sale and Annual Meeting should be a fitting climax.

The climate of the Purebred Cattle Industry has somewhat stabilized with breeders finding a more useful type of cattle than was being used during the past two seasons. The ride through the transition period was full of downdrafts but breeders are experiencing an increased demand for bulls and breeding stock. Partially it is due to economic factors, but much of it was due to the breeders being able to ferret out the cattle that are in demand by the breeder, feeder, packer and consumer.

Assuming that each breeder has put his house in order, it's time to go to work on the next 100 years.

The committees, breeders, directors, and members all combined to make the Annual Picnic and Celebration a huge success. There were 450 people on hand for the afternoon program, after consuming 666 pounds of beef hind quarter. Some large portions, some small. We had a very interesting and informative afternoon.

One thing was basic. This meeting took the combined efforts of the Directors, The Polled Shorthorn Association, The Lassies, The Junior Association, The Breeders and wives, and the future generation of the Shorthorn Cattle Breeders to make this get-to-gether a success.

Many Indiana Breeders traveled to the National Show at Springfield, with exhibitors and many interested by standers teaming up to make this the largest array of cattle I have ever seen presented. This was a monumental task for Gail Long, the judge. Even in classes of 50-60 head there was very little evidence of mind blowing that some judges experience after-

er several hours of judging. Good cattle were at the top, bottom and in between. A hearty thanks should go to the breeders for subjecting their cattle to this large show.

I was on hand for the Cecil Steinmetz, Jack Kreitzmeier Sale and Dispersal. A good producing group of cattle, especially females, sold on a strong market to many new and established breeders. We hope Jack doesn't forget to still show up at the Shorthorn functions.

The Polled Shorthorn Sale at Noblesville was, I'm sure, one of the better District fall sales to be held in 1972. A good crowd was on hand from the start of the show until the last animal sold. Good cattle, well presented and promoted, and interested cattle people will make a good sale anywhere.

Just returned from Lee Johnson's Sale in Ohio and only mention this because Indiana Breeders were on hand and several useful cattle came to Indiana. There were several controversial cattle in the pastures, barns and sale, but this could be the year's top sale. The controversial cattle might be the appendix registry heifers, Hank, Tank, Thunder, Lilac, etc. Again, Shorthorns, well presented, promoted and interested cattle folk on hand. A good crowd.

We have the 100th Anniversary Show and Sale at Greenfield on November 18. Again we need your cattle, attendance and support to make it a success. It will be worthwhile and profitable, if only to say 'hello' to your neighbor and bring home a useful Shorthorn.

The annual meeting of The Indiana Shorthorn Association will be held at Lebanon on January 6, 1973. This again is a combined meeting of, The Lassies, Junior, and Polled Shorthorn Associations. We cordially invite one and all members to help form policies and conduct the business of your association.

CELEBRATION

**LOUADA WINFIELD**

by  
Denend Constellation

The son most resembling Baption Constrictor and out of Wendy Wimble 5th, a daughter of Louada Rothes King. The granddam sold to Allwood Plantation, Thomasville, Georgia at \$3000.00. His calves out of HHF quality females are something to see.

Also in service

**LOUADA SCOTTISH PRINCE**

He too is by Denend Constellation, and as well as young bull and a few select females by these sires, we have sons and daughters of the noted Keynotes Cupbearer for sale.

We Don't Stress "modern". Just Good Beef Shorthorns. The Cupbearers are deep bodied cattle with strong loins and quarters. Like all the Hanson Heights cattle with their legendary reputation, they are just good profitable Shorthorns and well worth your trip to see. We will be showing the get of these sires and selling in the Indiana State sale, Saturday, November 11th, at Greenfield. Always a variety to fill your needs.

# INDIANA SHORTHORN BREEDERS' & Polled Shorthorn Breeders' **SHOW and SALE**

Show 9:00 a.m.      Sale 12:30 p.m.

SATURDAY, NOVEMBER 18, 1972

4-H FAIRGROUNDS, GREENFIELD, INDIANA

20 miles East of Indianapolis on U.S. 40

**48 HEAD SELLING**

**12 Bulls — 26 Females — 10 Club Calves**

The production of purebred cattle is a challenge. Proper selling may be as great a challenge. Many times consignment sales have been looked upon with skepticism. A few years back, the State Association pledged themselves to hold an Annual Sale of quality, useful cattle, that should remove any doubt in the minds of the new owners.

In my honest opinion this is the best assembly of cattle ever offered in an Indiana State sale. No extremes either way, just the kind pleasing to look at and be profitable to their buyers.

**Be With Us Sale Day And Buy With Confidence**

**INDIANA SHORTHORN ASSOCIATION**

CLYDE G. HARLOW, Secretary, Tipton, Indiana

Sale Mgr. & Auctioneer  
DON L. SMOCK, 317-535-4550 Whiteland, Ind.

## GENERAL INFORMATION

**LOCATION** — Sale will be held at the 4-H Fairgrounds, Northeast corner of Greenfield, Indiana.

**TIME** — A show of the sale cattle will be at 9:00 a.m. The sale will start at 12:30 p.m.

**GUARANTEE** — The guarantee recognized by the A. S. A. will cover the cattle selling.

**TERMS** — Terms of the sale are cash, unless other arrangements have been made with the consignor from whom you purchase and the sale manager is notified. All cattle become the responsibility of the purchaser as soon as bid off. Statements from the auction block take precedence over material printed in the catalog.

**LIABILITY** — Each transaction in this sale will constitute a contract between the seller and buyer of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for a specific task not connected with the handling of the cattle or condition of the premises and will therefore accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the sellers accept any liability for any injuries that might occur.

**REGISTRY CERTIFICATES** — A Certificate of Registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for Registry will be furnished, properly signed, with each calf sold beside its dam, and for each unborn calf sold in dam.

**FOOTNOTES** — Footnotes appearing in this catalog were furnished by the consignors, and were written from information by them.

**HEALTH** — A Health Certificate, approved by the State Veterinarian will be furnished with each lot sold.

**AUCTIONEER** — Don L. Smock, Whiteland, Ind.

**RINGMEN** —

**HEADQUARTERS** — The Howard Hughes Motor Lodge is designated as Sale Headquarters. Arrangements have been made with the management to accommodate as many of our guests as possible. The location is on the North Side of U. S. 40, approximately at the West edge of town. On arrival, we suggest you call here and inquire. If filled they will assist as best they can. You may make reservation direct or we will be glad to help. Address Howard Hughes Motor Lodge, Greenfield, Indiana.

**MAIL BIDS OR TELEPHONE** — Such may be placed in the hands of the Auctioneer, any of the above Fieldmen or the Sale Manager.

**LUNCH** — Will be available on grounds, sale day.

**SALE COMMITTEE** — The Board of Directors with Clyde Harlow, Secretary, Tipton, Indiana, 46072. Tel. Kempton, 947-2275.

**INSURANCE** — Available sale day.

**DON L. SMOCK, Sale Mgr. Service  
R. R. 1, Ph. 535-4550 Whiteland, Ind.**

**RECOMMENDED GUARANTEE**

(1) TERMS: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

(2) LIABILITY: Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

(3) A — Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B — All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of the date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C — With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

D — When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial of a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price without interest to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E — All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

F — Certificates of Registry and Transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred animals showing names and record numbers of sire and dam, as well as service date.

G — Shipment will be made as soon as released, but at the purchaser's risk of loss or injury after animal is bid off.

H — All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

(4) SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off but every precaution will be taken to see that animals are cared for properly.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

## SHOW CLASSIFICATION

Judge Dick Prentice, Batesville, Ind.

# REDMON FARMS

## SHORTHORN CATTLE

Herd Sire

### LOUADA RED EAGLE

by

Denend Constellation

### Our 1972 Record

Heifers at the Kosciusko County 4-H Fair. Third and fourth in class. At the Indiana State Fair, 4th and 7th in class and 4th on Jr. yearling. In the bull classes at the Indiana State Fair we placed 3rd and 4th, 5th on Spring yearling and 3rd on pair of calves.

Addition of a number of real quality females to our original strong cow herd, puts us in position the very best. This is being proved in the show ring with winning steers along with our success in the breeding classes. Visit the farm and see for yourself.

*You are always welcome*
